FeedMore WNY

our mission

FeedMore WNY's mission is **to offer dignity, hope and a brighter future** by providing nutritious food, friendship and skills training to our Western New York neighbors in need.

our vision

FeedMore WNY believes that to solve hunger, we must acknowledge that the struggle against hunger, poverty, injustice, and hopelessness are one and the same. We envision a future in which all are treated with dignity, food access and equity are recognized as human rights, and every person is empowered to have hope and thrive.

good nutrition at any age

At FeedMore WNY, we believe that no one should have to go hungry. No matter your age, race, gender or reason for needing food assistance, we are here to help

for older adults

Outside of FeedMore WNY's meal delivery service, we offer additional programs to not only provide healthy meals to our neighbors in need, but also educate our older community members on proper nutrition and provide dignified options for those at risk of hunger or isolation.

for kids

FeedMore WNY offers several youth-related nutrition assistance programs to support kids and their families in Western New York that are in need of both healthy and accessible meals.

Dearest Heavenly Father,

We come before you with hearts heavy with the burdens of our loved ones. We pray for their peace, Lord, knowing that in your presence, all anxiety fades away. Thank you for your abiding presence and the profound serenity it brings.

Dearest Heavenly Father, we pray for our North Presbyterian Family. We lift in prayer those who need our special prayer including Judy L, Andrew, Patricia, Roger, David, Jessica, Jane, Elaine F, Michele, Terry R, Jean, Mary, Justine, Michele, Deborah T, Lindsay, Tim, Jeff, Gloria, Alex V, David P, Ginger M, Kathy C, Brenda M., Jerry C, Phalguni, Bev & Sam T, Bob G, Kristin L, Chrissy B and John C.
